

## SILVERBROOK INTERMEDIATE SCHOOL

March 30, 2015

To Whom It May Concern:

It is my pleasure to write a letter of recommendation for Bryan Kujawa. I have worked with Bryan in my position as Assistant Principal of Silverbrook School.

Bryan has a wonderful rapport with people of all ages, especially children. His ability to connect with his students and his talent at teaching simple concepts, as well as more advanced topics, are both truly superior. He has excellent written and verbal communication skills, is extremely organized, reliable and computer literate. Bryan can work independently and is able to follow through to ensure that the job gets done. He accomplishes these tasks with great initiative and with a very positive attitude.

Bryan is an excellent music teacher. He is aware of a variety of approaches to teaching music, and is constantly broadening his pedagogy based on best-practice. As you will certainly see from his resume, he has attended numerous workshops and courses designed to build his professional knowledge. He regularly integrates this best-practice into his lesson designs, and works to keep the music program fresh and stimulating.

I believe that Bryan will be a valuable asset to any school district's teaching staff. His passion for music and his dedication to each individual student in his classroom is evident on a daily basis. He established a positive and productive classroom climate in a wide variety of classroom settings.

Bryan Kujawa has many qualities that are necessary to be a successful music teacher. He is always well prepared for daily instruction, gives positive and meaningful feedback to students, is eager to learn different methods of teaching, easily adjusts to the different ages of the students, is highly reliable, and displays confidence when teaching. If you have any questions, please feel free to contact me.

Sincerely,

Heather Geldnich
